Prayers for His Recovery Prayers for His Recovery.

[Special to The Times Dispatch.]

[Special to The Times Dispatch.]

Was offered in all the white Protestant churches and in some of the negro churches to-day for the recovery of Senator John W. Daniel, and for his return to his home here. These prayers were the direct result of an appeal through the press to the pulpit by Acting Mayor Whitaker.

# SHOT BY HIS SISTER

Farmer May Dic of Wound Indicied During Quarrel.

Perry, Ga., March 20.—As the result of a quarrel over the boundary line between their plantations, Will Wolfolk was shot and probably fatally wounded by Mrs. Fannie Berry, his sister, near here, yesterday. Wolfolk sent some negrees to work in a field in the disputed territory, and his sister of ordered the negroes to leave. A quarrel ensued and the woman, securing a shotgun, fired on him at close range. She was arrested, but was pater released on hond.

# OPPOSES VACCINATION

General Agliation Will Be Started by New Grganization.
Washington, D. C., March 20.—Local opponents of vaccination to-day organized themselves into a body to be known as the Washington Anti-Vaccination Society, with Harry B. Bradford, resident naturalist of the British Aussum, as president of the association.

tion.

An effort will be made to have a hearing before the Senate and House District of Columbia Committees, urging the repeal of the law requiring that all school children in the District be vaccinated. A general agitation against vaccination will be started.

# NO WORK ON SUNDAY

Carnegie Steel Company Puts New Rule in Effect.
Pittsburg, Pa., March 20.—The plants of the Carnegie Steel Company in Pennsylvania and Ohio were practically closed down to-day for the first time in years, and will hereafter be on Sunday. An order of President Alvah C, Dinkey, of the company, is that Sunday labor must be reduced to an absolute minimum, and that the repair work which has been done very generally on Sunday, omploying saveral thousand, must hereafter be done during the secular week.

buried.

It is not known to whom the spine and tongue were given, but the possessors are said to have left this city on an early train for some Western point.

point.

Professor Vaughn, according to the detense, lived in constant fear of a cancer of the tongue, and it is believed that organ was removed this morning for pathological examination.

# STOP MARATHON DANCE

Police Interfere After It Had Gone Fifteen Hours.

San Francisco, Cal., March 20.—Pellice stopped the world's champion Marathon dance here this afternoon after six of the contestants had been dancing fifteen hours and six minutes. The old record was fourteen hours and forty-two minutes. A protest arose from the 3:000 specitators and a riot was prevented only by the determined manner in which the officers cleared the platform. Dectors who were in attendance advised the police that further physical exertion on the part of the dancers might result fatally.

Seven couples entered the contest and five couples thished.

Probably the most remarkable feature of the performance was the fortifued of J. A. West, who is fifty-four years old. Although at times during the night it seemed that his struggle to continue was torturing him, he waved his seconds aside and kept it up. West's partner was a sixteen-year-old girl. San Francisco, Cal., March 20.-Pe-ce stopped the world's champion Mar-

# **FALLS NINE STORIES**

Claim Agent for Southern Rallway Meets Instant Death.
Louisville, Ky., March 20.—Joseph Rhamstine, forty-six years of age, claim agent for the Southern Rallway, to-day fell from the ninth floor of the Columbin building to the street below, crashing through an iron grating and dying instantly.

Khamstine, who suffered from astima, had climbed the steps to his office on the ninth floor, when, it is believed, he raised a window for a breath of fresh air, became unbalanced and fell.

Although signed to-day the proclamation bears date of yesterday. mation bears date of yesterday. As soon as the special messenger arrived in the city to-day, bearing the proclamation in a leather pouch, he hurried to the Governor's mansion where President Taft was a guest, Without formality of any sort, the President took a pen and wrote his name boldly across the parchyment

the parchment.
To-night the messenger is speeding back to Washington, and to-morrow in that city the great seal of the Depart-ment of State will be impressed upon the proclamation to give it official life. It was thought at first that the dat ing of the proclamation would await this act, but it was found that while one act, but it was found that walle proclamations may be antedated, there is no precedent for post-dating such a document.

ings of these two bodies to-morrow. On the surface for the last few days it had appeared that these two warring organizations were near the point of breaking off negotiations, but rumors to-night indicate that the miners are still confident that an increase in wages will be granted. The schedule for to-morrow is the meeting of the scale committee at 10:30 o'clock and an afternoon session of the United Mine Workers of America. The latty meeting will be in anticipation of the arrangement in the scale committee, which will have before it a new proposition formulated on Saturday. ings of these two bodies to-morrow

Favors Withdrawal of Funds.
Chicago, March 20.—The Chicago
Federation of Labor went on record
to-day as favoring the windrawal of
all funds of organized labor on deposit all funds of organized labor on deposit in the banks of the country. Resolutions to this effect were ordered sent for action by the American Federation of Labor, the executive council, of which is to meet in Washington on Wednesday. The purpose of such a move, it was said, would be to bring pressure to been on the street railway officials of Philadelphia, to induce them to sottle the strike in that city.

ROCKEFELLER AT CHURCH

Personal Bodyguard Near Him During Services.

New York, March 20.—John D. Rockfeller attended the Fifth Avenue Baptist Church to-day for the first time since the announcement of his gigantic Rockefeller foundation plan. He only recently returned from the South. He arrived after services had begun, and a personal bodyguard remained near him while he was in church. Several strangers present inquired for him, and said they had suggestions to make as to how he could distribute his wealth to the beat advantages.

After the services many of the congregation congratulated Mr. Rockefeller on the establishment of his great new charity.

INDIANS HAVE FIRE

Mult Building of Their Seednary at Tahleguah Destroyed.

Muskogee, Okia, March 20.—Fire to-day destroyed the main building of the creenit will be a needed pursing. It is not the building is estimated at the 200 Indian students were lost. The loss on the building is estimated at S75,600.

made in the last few years in Egypt.

King Will Receive Him King Will Receive Him.
Rome, March 20.—The King has been
notified by the American ambassador
that Colonel Roosevelt will arrive here
on April 3, and His Majesty plans to
receive the former President and his
son Kermit on the morning of April 4.
The Queen will receive Colonel and
Mrs. Roosevelt, Kermit and Miss Ethel
on the afternoon of the same day.
Probably a court dinner will be given
in their honor in the evening.

# On Roosevelt's Trail.

Gondokoro, Soudan, Friday, February 18.—It has been no easy task for those who have attempted it to follow Colonel Roosevelt through the wilds of Africa. His last march was from Nimule to Gondokoro, a distance of about 100 miles and his approach;

rica. His last march was from Nimula to Gondokoro, a distance of about 100 miles, and his approach yesterday was heralded with blasts by Chief Kerlba's bugle band. The journey occupied ten days, and it was made over difficult roads, with a terrific heat almost blinding the eyes at times, and on occasions in a storm that blew with tropical fury.

It has been a fixed and unbroken rule of Colonel Rooseveit's procedure to permit no one outside the regular members of his party and his attendants to accompany him on safari. But no restrictions were put on the privilege of proceeding ahead of the expedition or following on behind at a reasonable and respectful distance.

Heat is intense.

The first camp from Nimule is at the Asswa River, ten miles distant. There was evidence of much game apparent to the travelers, and the recent spoor of

has speak for no one but myself, but if this is to be our reception. I am done. We are not cowards. We of the Insurgents, who cast our votes yesterday against unseating Cannon, were the bravest men in that house. It took consummate courage, and it will probably cost me my seat in Congress. But if we are to be met with calumny because we sacrificed ourselves to save the House of Representatives from chaos and disorder and to prevent the ruin of the Republican party, then I am in favor of carrying this war to the finish."

This member said that he had talk-

This member said that he had talked with one or two others of the Insurgent leaders who voted to save
Cannon, and they were in a similar
frame of mind.
"When I read in the papers this
morning the speech which Speaker Cannon delivered before the Illinois Assoclation last night, my blood being with

non delivered before the Illinois Asso-ciation last night, nly blood boiled with indignation," said this Insurgent.

The next conflict will come, if it comes, on the selection of the new Rules Committee provided for in the Norris resolution. The committee is to be elected by the House instead of being appointed by the Speaker as hitherts.
